First girder over Pune highway in 90 mins

KAMAL MISHRA / Mumbai

The Mumbai Rail Vikas Corporation (MRVC) executed the launching of the first open web girder over the Pune Expressway, marking a milestone in the construction of the Panvel-Karjat suburban corridor. The operation, which took place on Thursday, saw the completion of the girder installation for the up line in just 90 minutes

The bridge, comprising four 61.00 meter spans for both up and down railway lines, required meticulous

planning. Traffic police granted a sanctioned block of five hours, from 11am-1pm and 2pm-5pm, during which road traffic in the Pune-Mumbai direction was

In a rare achievement, the Mira Bhayandar Municipal Corporation (MBMC) has become the first civic body in the state to go paperless in all its departments by successfully switching from the ageold manual operations to an electronic office system. To conduct its office procedures electronically in a simplified, responsive, effective, and transparent manner, the municipal commissioner Sanjay Katkar took the lead in launching the e-office platform developed by the ministry of electronics and information technology controlled national informatics centre (NIC) immediately after his appointment. Just 15 days af-

bay High Court, NMMC Chief Rajesh Narvekar convened a meeting with senior civic officials, where several measures were directed to combat air pollution in the city. Additionally, the civic body has decided to adopt the air quality control plan prepared by the Municipal Brihanmumbai Corporation (BMC).
