Another woman died in a landslide in Banal village of Ramsheher tehsil, said Deputy Commissioner of Solan Manmohan Sharma.

In Mandi district, seven members of a family, including a two-year-old, were killed in a landslide late on Sunday night in the Seghli panchayat. Three persons were rescued, Deputy Commissioner Chaudhary said.

The current study shows that the monsoon's rainfall has already shifted west with precipitation increasing by up to 50% in some regions of the dry northwest, while decreasing over parts of the humid east. Over the next century, the team's models predict that the Thar could see almost double the amount of the rainfall it does now as the monsoon moves more than 500 kilometers farther west. The team's models reveal that the Indian Ocean has and will continue to warm unevenly, heating up faster in the west than the east. This imbalance, they predict, will move a critical low-pressure area called the inter-tropical convergence zone west with it, and affect where the monsoon rains concentrate as a result. Goswami says because of this unusual way the inter-tropical convergence zone directly affects where the South Asian monsoon hits land, the Thar 'will probably become green by the end of the century.'

Most of the rainfall that's going to bombard the Thar in the coming decades will "come in bursts," Goswami says — not in a consistent drizzle over several months. This increase in heavy rain events, dumping more than 10 centimeters of water in a day, will mean the region must adapt to avoid annual floods that destroy agriculture and level towns.

OUR BUREAU

At a time when Opposition bloc INDIA is putting up a united front and planning their next big meeting in Mumbai, a meeting in Pune last week between National Congress Party supremo Sharad Pawar

and his nephew Ajit Pwar who holds the post of Deputy Chief Minister in Maharashtra government has created consternation in the opposition camp. Notwithstand-

Sharad Pawar's clarification that he has no plans to join hands with the BJP though some "well wishers" are trying to persuade him to do so, rumours mills are grinding fast creating an impression that there is definitely something more than what meets an ordinary eye.

Well- placed sources said that Ajit Pawar has been

given a brief by a top leader of the BJP who is also a Union Minister that he should persuade his uncle to desert INDIA so that challenge from the opposition to the Modi led BJP could be nipped in the bud itself.

Even if senior Pawar is not willing to cross over,

meetings tween the uncle nephew would result in confusion which weaken INDIA in the eyes of people and allies in the MVA would be at logger heads,

sources said adding that in any case project Pawar of the BJP is creating the intended impression. While the Shiv Sena (UBT), a key member of the Opposition alliance in Maharashtra, is not amused by Sharad Pawar's meetings with nephew and Deputy CM Ajit Pawar, weeks after his rebellion split the veter-

an's party.

PM pays tribute to lives lost in partition

Modi had announced in 2021 that August 14 will be observed as the Partition Horrors Remembrance Day

AGENCIES / New Delhi

Prime Minister Narendra Modi on Monday paid tributes to those who lost their lives during India's partition and recalled the sufferings of people in that period on the occasion of the Partition Horrors Remembrance Day.

He said it is an occasion to remember the Indians who lost their lives during the partition, a reference to the large-scale communal violence at that time.

This day is also a reminder of the tribulation and struggle of those who were forced to migrate, he said, paying tributes to them.

Modi had announced in 2021 that August 14 will be observed as the Partition Horrors Remembrance Day. Meanwhile, Gujarat Chief Minister Bhupendra Patel and senior leaders of the ruling Bharatiya Janata Party (BJP) on Monday ob-

served the 'Partition Horrors Remembrance Day' by paying tributes to people who lost their lives in the violent event. Taking to Twitter, the chief minister said India's partition was an extremely painful event that claimed the lives of many people.

"Our country's partition in 1947 was an extremely painful event. While numerous people lost their lives, many of them were rendered homeless due to partition. On the occasion of Partition Horrors Remembrance Day, I pay my humble tributes to all those who lost their lives during the partition," Patel

The partition of the country on the basis of religion in 1947 is a dark chapter in history. The hatred it generated has killed lakhs and displaced crores of people. The country had to pay a heavy price for this and many people are still facing the brunt of this horror. Today, on 'Partition Horrors Remembrance Day', I pay tributes to all those people who lost their lives and their family members due to the partition
